

After a nightmare journey to Harrow which left 3 of our team with only 20 minutes remaining on the clock, we have at least a share of the points as Mike Sheehan has adjourned a pawn up.

Tonight we entertain RICHMOND C who we beat 4.5-1.5 at Old Deer Park last Oct, although rumour has it that they have 'beefed' up their team with Guildford players. Next Mon we are HOME to British Airways who forced a 3-3 draw here last year with a team including 2 players graded over 190!
