

We put up a strong fight against already promoted Hampton on Mon April 13 , drawing on 5 boards and defaulting the other. We cannot afford defaults in a 6 board match.

Tonight we entertain Slough B who need to win to avoid relegation and rumour has it that they intend to field a strong team. As this is our last match this season I would like to thank all those players who have turned out this season especially Matthew Baker who has played 12/14 games.

In the Surrey League Kingston 2 beat league leaders Wimbledon 2 5.5 - 2.5 in their final match thus avoiding relegation.
