

Media Release Policy – Kingston Chess Club

As a member of Kingston Chess Club, I recognise that the Club is engaged in promoting and marketing the Club and the game of chess. In this regard, I understand that there may be photos and audio-visual recordings taken while participating or associated with Club activities. As a member, I give the Club my permission to:

For adult members

- use these photos and videos freely on the Club's social media, websites and other marketing materials for the stated purposes only
- use my name in conjunction with my participation in games, matches, competitions and events associated with the club including the results

For parents/carers

- use photos and videos of my child freely on its social media, websites and other marketing materials for the stated purposes only
- use my child's name in conjunction with their participation in games, matches, competitions or events associated with the club including the results

Copyright

The copyright of the photograph and other media remains with the original creator.

Data Protection

No personal information beyond the player's name and event/game venue will be published. Original photos will not be sold or supplied to any third party without the consent of the photographer / videographer and the subject.

Removal

I understand that I may request the Club Secretary if I would like material relating to me to be deleted or removed within a reasonable period of time.
